Dear Church leader:

This letter is to recommend the evangelistic ministry of Brandon and Amanda Weber. As their pastor, we have blessed them and sent them out from our fellowship to follow their calling as evangelists in reaching people with the saving gospel of Jesus Christ. You will find that they have a heart of integrity & humility and only desire to nurture the local church regarding evangelism and to reach people with the eternal message that Jesus sets captives free and is the only way of salvation! They have a sincere desire and passion to work with the local church and support the cause of Christ that is important to you.

They would indeed be a blessing to your community and local church ministries. If you have any questions, feel free to contact me. Our main office is (661) 871-1150.

Serving together,

Pastor Craig Amos
